The theme, ***“When The Earth Whispers Back: Nature’s Hope”*** will be centered around California’s species and landscapes “on the edge” of survival. It will highlight plant and animal species that are endangered, or threatened, or even extinct, and areas of land set aside for conservation & preservation of these species. We will be presenting this show with the purpose of bringing attention to their beauty and fragility, as well as promoting better protection and stewardship of our ecosystems. You may choose any natural spaces you feel have been dedicated to the protection and preservation of nature. Resources that may be helpful:
